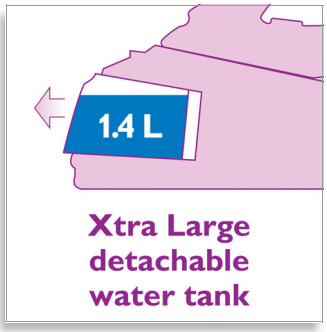
Highlights

Continuous steam up to 120 g/m

Continuous steam output up to 120 g/min thanks to the small amounts of water that are pumped into the boiler each time. For perfect and fast crease removal.

Detachable water tank

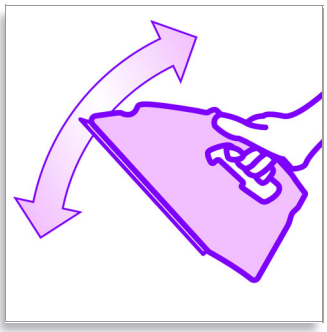


To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra large 1.4 l water tank reduces the need of refilling.

SteamGlide soleplate

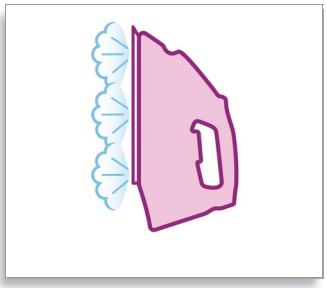
SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Lightweight



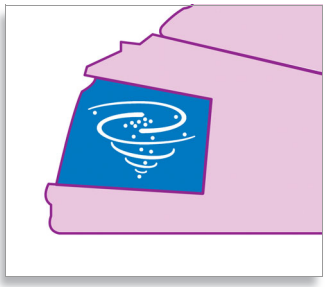
The iron is only 1.2 kg making ironing easy and effortless.

Vertical steam



Vertical steam for crease removal in hanging fabrics.

Anti-calc Tablets



Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Safety Auto Off

Iron shuts off automatically when the iron is hold still for 30s on soleplate, 30s lying on a side or standing on its heel rest for 8 minutes.
